Stittsville Food Bank Sunday

One of the ways we express our faith in God is by reaching out to the community that surrounds us, and as Jesus taught us when we see people who are hungry we feed them, and when they are thirsty we give them something to drink. The Worship Planning Team has decided to initiate a "Food Bank Sunday" on the first Sunday of each month and incorporate our donations into our worship. What this means is that on that first Sunday of the month you are asked to bring your food bank donations with you to your seat in sanctuary, and the children will collect your donations as they come forward for the children's time. This does not mean that you can **only** bring your donations that week; the food bank basket will **always** be at the back of the church, but on the first Sunday of each month we will become more intentional about offering our donations to those in need in our community as an act of worship. Thanks you for your support.

TOGETHER WE DID IT!!!!

> Since the end of February we have raised \$22,713,50 for our C.A.R.E. Challenge. When matched with the generosity of our Challenge Donor this makes our total raised to be \$42,713.50 over the season of Lent, and the total raised over the past number of years to over \$200,000.00. Thank you to all of you for your generosity to make it possible to reach this first target in our C.A.R.E. campaign, and especially to the challenge donor who supplied the catalyst to put us over the \$200,000.00 mark. Thank you also to the C.A.R.E. Fundraising Team who have worked so hard in so many

MJSSJON CAPSULES - APRIL 2011

TAIWAN: Paul McLean

Our gifts to *Presbyterians Sharing* support the Rev. Dr. Paul McLean as he works with a team of Hakka pastors and elders to translate the Bible into the Hakka language. Of the four million Hakka people who live in Taiwan, only 2 or 3 in 1000 are Christian. The Presbyterian Church in Canada is partnering with the Presbyterian Church in Taiwan (PCT) and the Bible Society in Taiwan to translate and publish the Bible in the Hakka language. Paul McLean has been working with the Hakka Bible translation team for over 25 years. When the translation work is finished, the Bible Society in Taiwan will help typeset and publish Taiwan's first ever Hakka Old and New Testament Bible. This will hopefully take place by the spring of 2012, in time for the PCT's Year of Hakka Mission. Hakka churches are praying that the Bible will help them turn the hearts of

To live a creative life, we must lose our fear of being wrong.
