"At the close of life the question will be not how much have you got, but how much have you given; not how much have you won, but how much have you done; not how much have you saved, but how much have you sacrificed; how much have you loved and served, not how much were you honored." -Nathan C. Schaeffer

MOTHER'S DAY

Christian Family Sunday is on May 9th. An important part of all families are our mothers and the celebration of Mother's Day is our opportunity each year to recognize and say thank you for all they do. The men of the congregation invite each family to bring their Mother, Grand Mother, Spouse, Sister, or Aunt to breakfast on Sunday morning before worship. We will be serving from 8:00am to 9:30am and hope to see you there. All gentlemen are encouraged to contact Clint at 613-831-1829 if you can help with the catering of the breakfast.

YOUTH GROUP NEWS!

Be sure and keep the evening of Saturday, May 15th open for an evening of Bowling. More information to follow.

The world will be more impressed by a demonstration of our faith than by a description.

Some people feel their faith is strong enough to take them to heaven, but it does not take them to church.

Anyone interested in having a copy of the church phone directory may pick one up in the Mail Slot at the top of the front stairs.

BE STILL

I have noticed that the best way for me to get a few minutes of solitude at the end of the day is to start washing the dishes! And a few minutes of solitude is something I need frequently. A time to be alone. A time to reflect.

I think there is a difference between aloneness and loneliness.

Aloneness is necessary for the soul to thrive - even to come alive. Not loneliness.

German theologian and pastor Dietrich Bonhoeffer was arrested and eventually hanged for opposing Hitler. While in prison, he wrote letters to his fiancée. The last letter she received was dated Christmas 1944. Speaking of the war that separated them, Bonhoeffer wrote this:

"These will be quiet days in our homes, but I have had the experience over and over again that the quieter it is around me, the clearer do I feel a connection to you. It is as though in solitude the soul develops senses which we hardly know in everyday life. Therefore I have not felt lonely or abandoned for one moment."

I can be alone without being lonely. In fact, those times of solitude are necessary respite for a beleaguered soul, set upon by the pressures of life. I need to take whatever moments I can to just be still.

"Only in quiet waters things mirror themselves undistorted," says Hans Margolius.

"Only in a quiet mind is adequate perception of the world."

So I'll find time to ... be still.
