

"All God's critters" By Bill Staines

Chorus

All God's critters got a place in the choir
Some sing low, some sing higher
Some sing out loud on the telephone wire
And some just clap their hands, or paws
Or anything they got now.

Listen to the bass, it's the one on the bottom
Where the bullfrog croaks and the hippopotamus
Moans and groans with a big to-do
The old cow just goes MOOOOO
The dog and the cat pick up the middle
While the honey bee hums and the cricket fiddles
The donkey brays and the pony neighs
And the old coyote howls

Chorus

Listen to the top where the little birds sing
On the melody with the high note ringing
The hoot owl hollars over everything
And the jaybird disagrees
Singin' in the night-time, singin' in the day
Little duck quacks, and he's on his way
The possum ain't got much to say
And the porcupine talks to himself

Chorus

It's a simple song of livin' sung everywhere
By the ox and the fox and the grizzly bear
Grumpy alligator and the hawks above
Sly raccoon and the turtle dove.
